**Philanthropy By Design**

**H.I.A. Presents a Twelfth Night Celebration:  
A Fundraiser for Philanthropy By Design to be held  
at Yoshi's San Francisco**

Come join us for our second Twelfth Night program for  
Philanthropy by Design.

We are holding this event at Yoshi's -- our newest and largest  
jazz club in San Francisco. Anchoring the New Fillmore Jazz  
District, the club stands two stories high in the Heritage Center,  
the new condominium complex located in the Jazz District.

Hors d'oeuvres will be served with a complimentary glass of  
wine. Additional drinks will be available from a No-Host Bar.

Reservations for Twelfth Night may be made online by credit  
card at [www.acteva.com/go/hia](http://www.acteva.com/go/hia). Or, you may send a check to  
our Treasurer:

Dave Marten c/o Chroma Art and Design  
218 Mississippi Street  
San Francisco, CA 94107

Payment must be received with your reservation. All reservations  
must be received by Friday, January 4, 2008.

Following our Twelfth Night Celebration, you may wish to stay  
for that evening's performance at Yoshi's. Appearing will be The  
Roy Hargrove Quintet, featuring 36-year old Roy Hargrove who  
has established himself as among the premier players in jazz and  
beyond. Joining him will be Justin Robinson on alto sax, Eric  
Lewis - pianist, Dwayne Bruno - bassist, and Willie Jones, III on  
drums.

The show begins at 8:00 P.M. and separate reservations must  
be made through Yoshi's. Contact the Box Office at 415-655-  
5600 and mention the H.I.A. block of tickets to get the special  
pricing.
