**A Walk Through the New Presidio  
San Francisco**

In the past five years, the Presidio of San Francisco has become a place of great change with the opening of the Letterman Digital Arts Center and new restaurants (Pres a Vis, etc.). Further plans include development of the Disney Museum, the Fisher Contemporary Art Museum, and a high-tech museum from Lucas.

Come join us for a walk through the Presidio. See the new structures and hear about plans for future development. Our tour guides will include Jody Sanford, a speaker from our last Presidio Panel, a design planner, and other Presidio experts. Public comment is being sought by the Trust so we can give our insight.

We will meet at the Presidio Officers Club at 5:30 PM for networking and begin the tour at 6:00 PM. Please make all attempts to be on time. Parking is available in front and the side of the Club.

Afterwards, some of us will meet at the Presidio Social Club for drinks.

Please note the date of this program is one week later than our usual schedule, due to the holidays.

Join us for an informative and fun experience.
