**A Very Special Panel:  
Our Wonderful Hospitality Librarians**

Last Year we presented a panel of four librarians from four architectural and design firms.

Everybody who attended found it interesting and informative.

Consequently we have invited them back, along with one new person.

Our panelists are:

- Bill Van Erp  
Gensler
- Rachel Stallworth  
Stallworth Enterprises
- Olga Evanusa-Rowland  
Stantec
- Maria Sensale  
SmithGroup.

All four librarians have a wealth of knowledge and experiences of our industry.

Come hear how products get specified from these firms and learn their method of sample organization which has made them irreplaceable in our industry.

Especially for the Young Designer and Experienced Vendors, these speakers will provide an enlightening event.

Join us for this interesting and exciting evening to be held at the Dunkirk Showroom, #2 Henry Adams Street, Suite 380, San Francisco, CA. 94103.
